Sir:

Counsel for the Applicants in the above-identified Reissue Application recently learned that an Office Action was mailed on January 13, 2005. The Action has not yet been received in the mail and counsel believes that the Action may have been mailed to counsel's former address. (A Second Request for Indication of Status and Confirmation of Correspondence Address was filed January 13, 2005, copy enclosed along with date-stamped filing receipt.)

The Examiner was contacted by telephone and on February 4, 2005 he provided a facsimile copy of the substance of the pending Office Action. However, the facsimile copy does not include the cover sheet and also does not include page 1 of the Action setting forth the response period. The Examiner was informed of this fact during a telephone conference on February 10, 2005. However, the Examiner does not have possession of the file and was unable to provide a facsimile of the cover page and page 1 of the January 13, 2005 Office Action.

By this paper, Applicants request a complete copy of the January 13, 2005 Office Action. To the extent that only a one-month response period was set, Applicants request an extension of time to respond to the pending Action once the complete Action is mailed to the proper address:
